ASSUMPTION OF RISKS

I acknowledge and accept that Mountain Biking involves risks, dangers and hazards in addition to those normally associated with bicycle riding and that injuries are a common and expected part of Mountain Biking. Mountain Biking at Highland Mountain Bike Park and Gravity Mountain takes place on steep and rugged terrain and will expose the rider/participant to many risks, dangers and hazards. The terrain may be uninspected, uncontrolled and unsafe due to constantly changing conditions. The inherent risks, hazards and dangers include but are not limited to the following:

- collision with other riders, vehicles, bicycles, trees, tree stumps, tree wells or other objects;
- the use of chairlifts and proximity to chairlifts, fences and other man-made structures;
- mechanical failure of equipment;
- rapid and uncontrolled acceleration on hill and inclines;
- changing weather conditions;
- unsafe terrain – including steep or slippery sections, cliffs, rocks, holes, or crevasses;
- extreme variation in cycling terrain;
- encounters with domestic and non domestic animals;
- falling or being thrown off the mountain bike;
- negligence of the part of the Releasees – including the failure to protect the participant from the risk, dangers and hazards of Mountain Biking or to predict whether the terrain is safe for Mountain Biking; and
- negligence of other riders

I agree that I shall never institute or cause to be instituted, any suit, charge, demand, claim, complaint, or cause of action, in law, in equity, or otherwise, in any court, or in any arbitration system or procedure, against the Releasees arising out of my voluntary participation in Mountain Biking.

I am aware of the risks, dangers, and hazards associated with Mountain Biking and I freely accept and fully and voluntarily assume all such risks, dangers, and hazards and the possibility of property damage and serious and/or permanent personal and bodily injury, including without limitation cuts, scratches, bruises, broken bones, sprains, full or partial paralysis, death, and any and all losses resulting therefrom. I further acknowledge and agree that Mountain Biking is a purely voluntary recreational activity and that if I am not willing to acknowledge the risks and agree not to sue, then I should not participate in Mountain Biking.
